"It's not the price you pay for membership...it's the price your forefathers paid to make you eligible!"

GREETINGS!

It is renewal time for membership dues in the Sons of the American Legion. As you know, membership is the lifeblood of any organization. Your membership dues contribute to the programs our Squadron sponsors and help to keep our membership growing. You and your continued membership are very important to us.

Our membership has grown to over 800 members this past year. During that year we have contributed over \$35,000 to many organizations including local scholarships, Boy Scouts, The Children's Welfare Fund, The Special Olympics, and several Veteran Organizations throughout the area. Our community service doesn't stop there; there is much more. You can offer your input at our monthly meetings held the third Wednesday of each month, starting at 6:00pm, at our Legion Post in the main hall. We cook and serve meals 3 times per week as both a fundraising and social opportunity, and we need volunteers to help this succeed. If you are interested in volunteering, please check "YES" on the form and a member will contact you with various opportunities.

We have a problem this year, due to the covid-19 closure we are going to lose \$15-20,000 in meal revenue and we may have to cut our donations by as much as half! You can help us by making a contribution of \$10-20 in addition to your renewal dues. In return, we will send a small gift along with your new membership card.

PLEASE INCLUDE YOUR E-MAIL ADDRESS SO YOU CAN RECEIVE OUR ELECTRONIC MAILINGS

Thank you in advance,

John T. Gorsuch, Commander 2020-2021
